Wedding Video Package - Prices start from €220.00

Getting married in the romantic island of Cyprus is beautiful. Sharing those special moments with family and friends is magical. But, not all your family and friends will be able to join you on your special day. My Video Wedding Cyprus can make your wedding day truly magical.

We will take video clips and photographs of those special moments, or they can be supplied by your photographer. We make a short video/slide show and host it on our web site on your very own page, the day after your wedding. My Video Wedding Cyprus - making all your loved ones part of your special day.

Our Package

A three to four minute video containing still photographs and video clips set to royalty free music and is optimized for video streaming over the internet. Your video will be available for all your family and friends to view on your very own web page. For example : <http://www.myvideoweddingcyprus.com/Jennie&Lee>

Packages includes the following:

- Your own web page active for three months.
- Your video/slide show can be viewed an unlimited number of times.
- The music on your video is royalty free

Technical Stuff!

My Video Wedding Cyprus uses a new and innovative communication technology called Video Streaming. The video is stored on our server and is streamed over the internet.
